- Sutter, C. (1999). Life Cycle Analysis of „Green“ Electricity Products in Liberalised Markets (in German). Kastanienbaum, Swiss Federal Institute for Environmental Science and Technology (ISBN: 3-905484-01-3)

## Selected reference projects

India 2004, ongoing	GTZ Indian-German capacity building program on the CDM. Project manager.
Indonesia 2004	The World Bank Capacity building workshop on Gas Flaring and the CDM. Expert
Brazil 2003, ongoing	Lara Ltd. (owner and operator of large landfill) Management of the project's CDM cycle. Structuring the GHG-finances and executing the emissions reductions purchase deal. Project manager
2003, ongoing	United Nations (UNFCCC) Official reviewer of various new methodologies for projects under the CDM. Independent reviewer.
2003, ongoing	Novartis Assessment of CO <sub>2</sub> saving potentials and development of a corporate CO <sub>2</sub> strategy for the Novartis group.
India 2002-2003	Swiss Federal Institute of Technology Assessment of Indian CDM institutions and sustainability assessment of Indian renewable energy projects (in-depth case study for Ph.D. thesis). Incl. 4 months stay in New Delhi. Head of research project
2003	WBCSD (World Business Council for Sustainable Development) Concept and moderation of e-conference on sustainability assessment of CDM projects. Project Manager
Uruguay 2003	Designated National Authority for CDM in Uruguay (Unidad de Cambio Climático) Sustainability assessment of Uruguayan CDM project portfolio by means of multi-criteria decision analysis. Independent consultant. Swiss team leader
South Africa 2002	Swiss Federal Institute of Technology Survey on sustainability preferences in South Africa and sustainability assessment of three South African CDM projects (case study for PhD thesis). Head of research project
Afghanistan 2002	UNEP CDM- and Environmental Strategy Afghanistan. Supporting Afghan Government in developing a strategy towards international environmental conventions, especially the UN Framework Convention on Climate Change. Capacity building workshops. Expert
India 2001-2003	Various Indian project developers (in co-operation with teri and Winrock) Providing support to several Indian companies in preparing CDM project proposals under the 2002 Dutch CERUPT call. Two renewable energy projects were successfully selected. Project manager
Romania 2002	EBRD JI baseline study for district heating rehabilitation in Bucharest. Expert

2000 - 2001	UBS Alternative Climate Development of a project portfolio for private carbon fund in partnership with the bank UBS. Responsible for Indian CDM project development. Expert
India	Swiss Development Co-operation Analysis of small-scale CDM projects in the renewable energy sector. Evaluation of 16 Indian case studies with regard to commercial investors and sustainability. Formulation of recommendation to UNFCCC and project developers. Organization of a side event at CoP-7 in Marrakesh. Project manager
2000	Office for Forest, Nature, and Landscape, Liechtenstein Assessment of the Kyoto Protocol and the flexible Kyoto Mechanisms from the perspective of Liechtenstein. Assess strategic options with special consideration of the Kyoto Mechanisms (JI, CDM, IET, carbon funds, etc.). Expert
1999-2001	UBS Consultancy on international climate policy and negotiations, especially on rules. Expert
since 1999	Holcim Group Holcim CO <sub>2</sub> program: Review of emissions inventory, analysis of past emission trends, formulation of a mid-term emissions projection. Expert
2000	Municipality of Küssnacht Formulation of a comprehensive energy plan for the Swiss municipality Küssnacht. Action plan to achieve the targets. Expert
India 1998	Brahma Kumaris, India Consultancy on technical design and implementation of a solar thermal steam system. The generated steam powers a large solar kitchen in Abu Road, Rajasthan (serving 22'000 people). Co-financed by MNES (Indian Ministry of Non-conventional Energy Sources). Expert
Romania 1997	Swiss Federal Office for Foreign Economic Affairs Swiss Thermal Energy Project in Romania. Rehabilitation of two district heating systems as the first Swiss-Romanian Joint Implementation project: assessment of JI aspects (project baseline & additionality, costs, greenhouse gas offsets, monitoring / verification / reporting). Expert
Russia 1997	The World Bank National Strategy for Joint Implementation of climate protection measures in Russia. Assistance to local experts in establishing a pilot project pipeline: methodology for the evaluation of potential pilot projects. Assistant
India 1996	City of Basel, Switzerland Evaluation of 30 solar thermal systems in Indian hospitals and boarding schools. Project Manager

### Long term advisory mandates

since 2001	Member of Advisory Board of myclimate ( <a href="http://www.myclimate.org">www.myclimate.org</a> , association for carbon offset products)
since 2000	Member of board of Globosol (association to promote small-scale solar energy)
